

Assignment #1: Places To Know

Listed below are some major geographic features of the Earth's surface and places that will be referred to in our lectures. On the map label each of the features in their appropriate location. **LABEL THE FEATURES USING A COLORED PENCIL OR MARKER CORRESPONDING TO THE COLORS INDICATED. DO NOT "FILL IN" THE FEATURES WITH COLORS, JUST WRITE THE NAME IN THE APPROPRIATE COLOR.** You may need to consult an atlas and/or look up locations of events using the map insert in your book or the internet.
