

MONTCLAIR STATE UNIVERSITY

Department of Mathematical Sciences, College of Science and Mathematics

Conference on Innovation in Undergraduate Research with Undergraduate Poster Session

June 4-5, 2008

In honor of James H. Curry's 60th Birthday

How you can participate:

- Present your research as a poster
- Find out about emerging opportunities in research
- Share your perspectives on innovative teaching
- Meet students from around the nation also conducting research

Deadline for poster abstracts: May 23.

Admission for students is free and travel expenses are available.
